

# SUNGAL ROLLER SHELF FOR HILL PHOENIX OPEN COOLER SYSTEM

- Sungal roller shelves have a patented design and are the NSF-listed roller system
- Minimum angle of inclination: 4°. Provides better visual impact with better sight lines than other gravity feed systems. Replaces cumbersome, spring pusher systems
- 2-Piece structure comprising of one welded metal base frame and one top roller mat for reliable support, and easier installation.
- Snap-in rollers for easier replacement from top surface
- Sungal roller shelves have drains to deter fluid from rendering rollers inoperative
- 2-Piece structure is easier to clean: simply remove plastic roller mat and pressure-wash
- 5-year warranty
